A 501(C)3**

The Ghost Rider Foundation is a charitable foundation formed to support veterans of all U.S. Armed Forces diagnosed with Post Traumatic Stress Disorder (PTSD). It is a private foundation developed to improve the resources available to veterans and their families and to increase community awareness of PTSD.

This foundation is not associated with or a part of any governmental, military or health care delivery network or institution.

The Ghost Rider Foundation is registered as a 501(c)3 non-profit charity
